International radio station podcasts When on your computer, listening to live streaming radio from the country where your target language is spoken is very easy. I am definitely not an Apple fanboy, but iTunes is an excellent distribution means of finding free content to listen to. Almost all major radio stations provide podcasts for their most popular shows nowadays. Of course, I would personally recommend listening to podcasts on your way to a meeting that involves actually speaking with people in the language, if possible °ÃÂÂÂ Passive exposure does have some small benefits, but don't forget what you are ultimately aiming for! (i.e. speaking! Although if you are actually aiming to be the world expert in listening to others have all the fun, then ignore this paragraph). You need to sign up for a free account first to be able to access LingQ. Change this to your target language's country. Well, one of the best parts about the game is that you can play with your friends ¢ÃÂÂ regardless of which platform they have, PC or gaming console ¢ÂÂÂ so get ready for some ¢ÃÂÂfriendly¢ÃÂÂ backstabbing.
